for anyone struggling to understand john s writings in revelation this book provides true biblically based answers through detailed insight into the letters john wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first adam mentality to overcome today s trials and tribulations the more you understand the book of revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon s mouth this overflow of propaganda has kept the human family afraid to even read the book of revelation when in fact it is the only book in the bible that declares a built in blessing to those who read and understand it

this easy to read commentary on the book of revelation will bring clarity to some of the major issues of our time it will show that before the second coming of christ a series of events must take place the two witnesses must appear as well as the ten kings and the man of sin dr bailey dispels the confusion surrounding these awesome revelations of the apostle john while placing an emphasis on not only knowing the truths of the last days but being prepared through holiness in order to meet the lord in the clouds

the book of revelations is outlined in five sections i chapters 1 3 the church age ii chapters 4 5 events in heaven iii chapters 6 19 events of the future tribulation iv chapter 20 events of the millennium v chapters 21 22 events of the new heavens and new earth in the first three chapters jesus is addressing the churches at the beginning of chapter 4 the rapture has occurred and the church is in heaven those left behind on the earth begin to experience the tribulation in chapters 6 19 jesus returned to the earth with a heavenly host for the 1000 year reign during the millennium in chapter 20 finally in chapters 21 22 the enemies of god have already been defeated and there is no more curse the book of revelations in the bible is a story of triumph for the church and a book of judgment for those who did not receive the free salvation offered through the suffering death resurrection and ascension into heaven of our lord and savior jesus christ after two years of studying and teaching the book of revelations to a few in a small country church i felt led by god to share this information with many more the revelation of jesus christ revealed answered most of my questions about the book of revelations i pray that it does the same for you

the revelation of jesus christ which god gave unto him to show unto his servants things which must shortly come to pass and he sent and signified it by his angel unto his servant john who bore record of the word of god and of the testimony of jesus christ and of all things that he saw blessed is he who reads and those who hear the words of this prophecy and keep those things which are written therein for the time is at hand revelation 1 1 3 the title of this last and most wondrous of inspired books is the revelation uncovering unveiling of jesus christ it is he who unveils and it is he who is here unveiled to us and who shines out with transfiguration brightness before the church s eye the spirit and sum of this book is testimony to jesus ch 19 10 he is its alpha and its omega we find him everywhere in description in song in symbol in prediction in things past present and to come here christ is all and in all this last book completes the unveiling which was begun in the gospels and carried on through the epistles the last fragment of the veil is here taken from his face we see him as he is on the father s right hand on the throne through the rent veil the heavens are opened and we see him as stephen did in his present glory and in the glory of his second coming

in many respects this commentary is more than simply another book it represents a lifetime of studying and lecturing on the book of revelation by the late j b smith for many years he was in demand within his christian fellowship to speak on this great book one of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man this being his aim studied effort was made to avoid the language of the scholar yet at the same time smith wanted to employ all the tools of bible study this commentary is an attempt to make plain the meaning of revelation with commendable reserve dr smith has restricted himself largely to interpretation by other passages of scripture which are related to revelation by actual quotation or by striking parallelism his painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the bible dr smith is a futurist and a premillenarian holding that all of the book of revelation beginning with the fourth chapter relates to the future period of judgment known as the great tribulation which will be followed by the personal return of christ and by the establishment of his kingdom the distinguishing feature of this commentary is its use of biblical statistics and comparisons the uses of important terms in the revelation are cataloged and their interpretation is derived from their context the appendices contain

some extensive studies of individual topics correlating information not easily obtainable elsewhere dr smith follows a literal interpretation except where avowed symbolism demands a different procedure he has sought to make his exposition consistent in method and in results his use of greek is apt and shows a careful investigation of the underlying vocabulary of the greek text preface and introduction

one of the most fascinating relevant and often difficult to understand books in the bible is the revelation of jesus christ it has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young bible student can understand it is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live as we anxiously wait for our lords soon return this series of lectures will help us realize just how near to that coming event we actually are

an introduction to the book of revelation in the new testament is followed by a verse by verse commentary on the biblical text

the book of revelation is the last of the sixty six books of the bible as such it is the concluding word of god and therefore occupies a special position whereas a blessing is attached to its reading a curse is pronounced against anyone adding to its text thus reflecting how very important is this book of god s word the content of this present work which will be two volumes in length comprises the text of what were two separate series of messages on revelation spoken by the author in respectively the year 2007 and back during the 1950s after these many years and inasmuch as we sense the return of the lord jesus to be increasingly imminent we believe that there is a need to make these spoken words available in print in order that many more of god s people may receive the promised blessing it is our prayer that all who shall read this book will receive god s blessing in their being better prepared for the imminent return to the earth of our blessed lord jesus christ

not found on any map the valley of decision is a place of indecision a quagmire of noncommitment stalling forward motion it is the anxious middle place whose occupants include the multitudes who are still not sure what exactly to do with Jesus Christ polarized by life and the ways of the world they stand here unconvinced at the end of times when wickedness is great and the harvest is ripe yet perhaps knowing more about what tomorrow brings would help those still undecided make the clear choice to freely stand with God the revelation of Jesus Christ standing in the valley of decision explores the book of revelation as the source of God's true prophecy for what our future holds authors David and Denise Hall offer verse by verse commentaries on Christ's revelation omitting nothing and using the bible to interpret itself with scriptural citations supporting every point believers are invited to take notes and engage in active bible study as they learn how end time prophecies are being fulfilled today in what time is left the choice is clear personal and simple freely stand with God and have your sins washed away and your ransom paid or face the eternal consequence of separation choose now and soon because the time of His return draws near the time to study revelation is now and the revelation of Jesus Christ standing in the valley of decision will help all those seeking truth in the name of the Father the Son and the Holy Spirit
